Shop for Denver Area Council Scouts

Do you shop at King Soopers and want to help raise money for Denver Area Council (DAC) Scouts and programs that help build future leaders? The King Soopers Community Rewards program makes fundraising easy because they donate to local organizations like the DAC, based on the shopping you already do.

Once you link your card to the “Denver Area Council,” all you need to do is shop at King Soopers and swipe your Shopper’s Card. A percentage of your purchase will be applied to the DAC, at no added cost to you.

Here’s how it works:

1. A digital account is needed to participate in King Soopers Community Rewards. Create a digital account by going to the [King Soopers website](#) and choosing -> Sign In -> Create Account. If you already have an account and Shoppers Card or once your digital account is created, stay logged-in and move to Step #2 to link your account.
2. Once signed-in to your digital account, link your card to the “Denver Area Council” by searching for “Denver Area Council, Boy Scouts of America” or search for “GQ003.” Make your choice and click “save.” Once selected, the “Denver Area Council” will also display in the King Soopers Community Rewards section of your account.

That’s it! You’re all set to start raising funds for the DAC and the more than 33,000 Scouts we serve. Thank you for taking the time to get set-up. Please remember to swipe your Shopper’s Card or provide your digital account number on all transactions moving forward.

Questions to Denver Area Council Customer Service can be made to 303-455-5522.
