**2022 CENTENNIAL DISTRICT
ACTIVITIES & EVENTS
PROGRAM GUIDE**

1 November 2021

Dear Scouts, Scouters & Parents,

The following document is intended to be a guide to assist individuals and units in planning their 2022 Scouting activities.

Our general principals in developing our calendar were threefold:

- Fewer
- Bigger
- Better

As a result, it is our intent to provide a few supplemental Scouting activities throughout the year across the Cub Scout and Scouts BSA programs that units and individuals want to participate in, and the activity results in a positive experience for all involved.

In the following pages you'll find that we have planned historical District events such as the Pinewood Derby and Camporee. Then too, the Denver Area Council Scout Show will not take place in 2022. As a result, a new Community Service event has been planned to take its place that we hope to turn into an annual event.

You will also notice that the Centennial District will be working with the Black Feather District across several events. The primary purpose of this is to leverage our combined resources and leadership to provide all participants with a positive experience whereby they can learn, earn and have fun!

Finally, my team and I will do everything in our power to get event specific communications and the ability to register on-line at least 60-days in advance. However, all dates, locations and fees are subject to change.

We hope you find this tool helpful, and we are confident that Centennial District is going to have a great year of Scouting in 2022! Thank you.

Yours in Scouting,

David Short
