Course Information

The Sanctuary Golf Course is the brainchild of RE/MAX International Co-Founder, Dave Lininger. Located in Sedalia, Colorado, just south of Denver, it is nestled in the foothills of the Rockies and surrounded by nearly 13,000 acres of dedicated open space.

The Sanctuary was conceived as a golf experience that would gracefully balance exclusivity with accessibility. With its reputation as one of the most sought-after courses in the country, it has a commitment to preserving the natural terrain and wildlife that abound. This is why the Sanctuary limits the course to only 9,000 golf rounds per year and by invitation only.

The layout of The Sanctuary provides 18 holes of exciting play for golfers of all experience levels. The course is designed by famed architect Jim Engh, showcases felt-like greens that are large, undulating and play fast. The tree-lined fairways, strategically placed bunkers, water and green-side features present intriguing challenges for golfers. The first hole is the Sanctuary's premier experience boasting a lengthy par 5, with a 250 drop off the tee. It's a golfer's dream!!

Club Dress Code Policy

The Sanctuary requires all players to comply with its dress code standards. Participants who are not properly attired will not be allowed to play.

- Men: Shirts with sleeves and collars (no tank tops or T-shirts)
- Women: No halter tops or tank tops
- Shorts: Must be mid-length or longer, and no "cut-offs"
- No jeans or gymnasium attire
