Sporting Clays is widely considered the most realistic and varied of shotgun games.

The Scouting Colorado Sporting Clays Invitational is very similar to a “foursome” golf tournament. Squads of four individual shooters compete to post the highest average team score. Targets are thrown at various angles and speeds to simulate the flight patterns of various fowl or wildlife.

About the Tournament

The Sporting Clays Invitational offers a fun day of shooting for both experienced and novice shooters. This corporate event is a great opportunity to network with other business leaders, and socialize with clients, vendors, and peers.

Your participation raises funds that support operations and Scout activities at the Scouting Colorado Camps. These funds are essential in ensuring all youth have a safe and fun quality camp experience in which to grow, learn, and have fun.

We invite you to join us for an exciting and memorable day of shooting at our exclusive Sporting Clays course. Located on 3,358 acres, our McNeil Scout Ranch at Peaceful Valley offers a unique topography for shooters. This is the only time of the year that the course is available to the public.
