Welcome from the Ranch Director!

Unit Leaders,

Welcome to Summer Camp 2027 at McNeil Scout Ranch (MSR)! We are excited to have your unit join us for another season of adventure, growth, and Scouting.

Everything we do at MSR is guided by our seven core principles: Safety, Mission, Guest Service, Excellence, Ownership, Innovation, and Integrity.

Safety is our highest priority. Through the Scouting America National Camp Accreditation Program and extensive staff training, we work to provide a safe environment where Scouts can learn, grow, and thrive.

Our Mission is to deliver an outstanding outdoor experience that strengthens character, develops leadership, and creates lasting memories. We are committed to providing exceptional Guest Service by supporting units before, during, and after their time at camp.

We also embrace Innovation, continually enhancing our programs while preserving the traditions that make summer camp special. Together with our commitment to Excellence, Ownership, and Integrity, these principles shape the culture of our camp and the experience we strive to provide every day.

This Adult Leader Guide is designed to help you prepare for a successful week at camp. Thank you for trusting us with a part of your unit's Scouting journey.

See you at camp!

Yours in Scouting,

Jack Loats

Ranch and Camp Director

Scouting America Mission Statement

The mission of Scouting America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

McNeil Scout Ranch Guiding Principals

Safety – Mission – Guest Service – Excellence – Ownership – Innovation – Integrity

Scout Oath

On my honor, I will do my best, to do my duty to God and my country, and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.

Scout Law

A Scout is: Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean and Reverent.

Check-In Process

Check in begins at 12:30pm. **Please email McNeilScoutRanch@Scouting.org the morning of or day before with your estimated time of arrival.** Any updates can be replied to in that email chain.

Please do your best to have all vehicles in your unit arrive at the same time.

Once in the parking lot:

- Park all vehicles near each other if possible.
- Load all your gear into **one** vehicle (plus a trailer if you've got one). Only **one** vehicle is allowed to drive to the campsite, so pack smart!
- **Separate YOUTH medications, and have ready to check in.**
- While gear is being loaded, the **Unit Leader and SPL** should head over to **Headquarters** to check in and meet your campsite host.
 - If any drivers need a **Special Needs Driving Permit**, they can drive up to the health lodge to obtain a permit anytime Sunday.

Once you're checked in and your gear is packed into one vehicle, your campsite host will take you to a special spot for your unit photo—smiles encouraged!

After your picture-perfect moment, you'll begin campsite setup. Once you have set up your campsite, you will take a tour and will receive a dining hall orientation, complete medical check in and swim checks if applicable.

Check Out Process

At 6:30 AM – Your campsite host arrives. Time to pack up! From 7:00–9:00 AM – Grab a light continental breakfast. After breakfast, head to Headquarters to check out, pick up medications, and don't forget to stop by the Trading Post for last-minute goodies! Thanks for camping with us, safe travels home!

IN AN EMERGENCY:

STAY HOME. DO NOT COME TO CAMP. It is the natural instinct for parents and guardians to come to their children during an emergency. Coming to camp will block or delay first responders and camp staff in their work. Additionally, you won't be allowed to enter the camp.

STAY INFORMED. DO NOT CALL THE CAMP. All up-to-date information will be emailed to the parents/guardians listed in CampDoc. Additionally, information will be posted to the Camp and Council social media accounts. Do not call the camp, as that will tie up the limited phone lines available.

BE READY. Be prepared to follow instructions from Scouting Colorado if needed. If applicable, this will include Reunification information.

Camp Policies and Procedures

Campsite Rules and Accommodations

Tents/Cots – For a more comfortable stay, we recommend campers bring their own tent and cot or sleeping pad. If your unit would like canvas wall tents (7' x 9' on platforms) provided by camp, just submit your [tent request form](#) at least 11 days before arrival.

Note: Camp does not provide cots.

Important: No flames in tents.

Sleeping Arrangements – **Separate sleeping arrangements are required for adult males and females, as well as youth males and females. Youth sharing tents must be no more than two years apart in age.** Adults and youth may not tent together, even if they're family members. However, spouses may share tents. Adult participants ages 18-20 are considered adults and may not share sleeping accommodations with youth participants. For full details, please refer to the [Guide to Safe Scouting, Barriers to Abuse](#).

Latrines - Each campsite has either a vault latrine or flush toilets. Flush toilets are available for **Scouts** at the Gates Aquatic Center and during mealtimes in the dining hall. **Adults** can use flush toilets at the St. Joe's Shower House, Gates Aquatic Center or in Gilwell Hall.

Showers –

CAMP SITE SHOWERS: Showers in individual campsites are for use by the units specifically assigned to that campsite from 6 AM to 10 PM. Adult and youth leadership for the units need to determine the best methods to ensure that the Scouting America Standards are met. At a minimum, all shower users (Adults and Youth) should have a buddy with them to help maintain privacy. We ask that units clean up after themselves, as this is a shared space, and that Adult Leaders make cursory checks of the facilities after use. NOTE: [The Antero Shower House is the shower/restroom facility for the Amarillo and Billings campsite only.](#)

SAINT JOES REGIONAL SHOWER HOUSE: This shower house is accessible for Staff and Adult Leaders 24 hours a day. The left side of the shower house (from the main entrance perspective) is available for Adult Leaders and Staff at all times; however, from 8 PM to 11 PM, the staff has exclusive use of these facilities. The right side of the shower house (from the main entrance perspective) is available for Adult Leaders at all times. Youth may also use these facilities from 6 AM to 10:00 PM. Troop Leaders must ensure that youth using the facilities have appropriate adult supervision in accordance with Safeguarding Youth policies and that the buddy system is used. We ask that units clean up after themselves, as this is a shared space, and that Adult Leaders make cursory checks of the facilities after use.

GATES AQUATICS CENTER: Showers at the Gates Aquatics Center are available from 6 AM to 10 PM daily. There are specific showers available for males and females separated by youth and adults. Troop leaders need to ensure that adequate adult supervision is available for their youth and that the buddy system is used. This is especially important when the facilities are being used outside of program times. We ask that units clean up after themselves, as this is a shared space, and that Adult Leaders make cursory checks of the facilities after use.

GILWELL HALL: Showers in Gilwell Hall are available to youth and adults from 6:00 AM to 10 PM daily. Staff and Adult Leaders have access to the facilities 24 hours a day. Troop Leaders must ensure that youth using the facilities have appropriate adult supervision, and the buddy system is used. We ask that units clean up after themselves, as this is a shared space, and that Adult Leaders make cursory checks of the facilities after use.

ADA Campsite and Accommodations – We have an **ADA-accessible campsite** available for those who need it. If a Scout or adult requires extra support while at camp or special accommodation, please email **Camp Director Jack Loats** before camp to discuss your needs. We're here to help make camp awesome for everyone!

Electricity at the Campsite – Most campsites have one GFCI outlet in each latrine that can be used for purposes such as CPAP machines or other essential needs. Campers must bring their own extension cords. If you specifically need an outlet for a medical device, please email us to make sure your campsite has an outlet.

Supervision in Campsites – Camp Staff - To meet Colorado law, each campsite will have a camp staff member nearby for supervision. These staff members stay in **grey tents** with a light on at night so they're easy to find. If you need help after dark, just head over to the tent with the light—they're there to assist!

Supervision in Camp – Adults – At check-in, you'll receive a reflective stake —please place it outside the **Scoutmaster's tent** for easy identification.

While at camp, **adults are responsible** for the youth in their unit. Think of it as being “parents to all” — making sure Scouts are safe, following rules, taking medications, eating meals, and getting to activities on time. **Adult leaders are responsible for ensuring appropriate supervision of youth in accordance with Safeguarding Youth policies.**

Any adult at camp can respectfully help enforce rules. If you have concerns about a youth from another unit, please speak with their leaders or reach out to camp management.

More information from the [Guide to Safe Scouting](#).

Flags and Pioneering Structures – Most campsites come with a flagpole, and units are welcome to raise Scouting-related, state, or national flags. Please avoid flags representing outside organizations, movements, brands, commercial entities, or humorous themes. Camp Management reserves the right to remove any flags that don't follow these guidelines. Units may also bring pioneering equipment to build campsite structures, as long as they follow Scouting America's safety guidelines. Camp does not provide supplies, so be sure to bring everything you need. Safety first—check your gear, plan ahead, and build smart!

Fires – Due to Elbert County's **Stage II fire ban**, **no open fires** are allowed in campsites. **Propane stoves and grills** are permitted for cooking. **No flames in tents, and absolutely no fireworks of any kind.**

Campsite Trash Removal – Each day, trash will be collected from campsites during **dinner time**. Please place **tied trash bags** at the **driving entrance** to your campsite—make sure they're visible but **not blocking the road**. Put trash out before evening flags and never leave it out overnight. To keep critters away, store all trash in your troop trailer or vehicle until pickup.

Campsite Cleaning Supplies – Each unit is responsible for **daily cleaning** of their campsite and latrine. Camp provides all necessary supplies: brooms, hose, trash bags, disinfectant, toilet paper, paper towels, hand soap, and hand sanitizer. If you're running low or missing anything, just let your campsite host or Camp Commissioner know. **Important:** Due to state regulations, **do not bring or use your own cleaning chemicals**. Only camp-provided supplies are allowed to ensure safety and compliance.

Hammocks in Camp – Please follow the [Guide to Safe Scouting](#) on hammock use in camp. Hammocks cannot be “stacked” and the lowest point on the hammock cannot be higher than three feet off the ground to prevent injuries.

Campsite Hosts – Each campsite will be assigned a Campsite Host —a camp staff member who's your go-to resource during the week. They'll help check your unit in and out, doing a walkthrough with the Scoutmaster and SPL to note any existing or new damage. Your host also makes sure the latrine is stocked with essentials like toilet paper, paper towels, soap, hand sanitizer, and cleaning supplies. If you're missing anything, they're the person to ask!

Unit Vehicles – Each unit is strongly encouraged to have at least one vehicle available during your stay for emergencies like hospital runs. If your unit is arriving by charter bus, camp staff will work with you—but having a vehicle on-property is highly recommended for safety and flexibility.

Participant Requirements – All **youth and adults at camp** must be **registered members of Scouting America**. All **adults** must be **current in Safeguarding Youth Training** and submit proof before arrival. While at camp, everyone must follow the **Scouter Code of Conduct**, the **Guide to Safe Scouting**, and Safeguarding Youth **policies** at all times. These rules help keep camp safe, respectful, and fun for everyone!

All units must maintain a minimum of two registered adult leaders age 21 or older at all times. Units serving female youth must include a registered female age 21 or older.

For more info, check out the [Guide to Safe Scouting](#) and [Safeguarding Youth](#).

Uniforms and Clothing – **Activity Uniforms** are great for everyday camp fun! **Field Uniforms** are requested for evening flags, dinner, and campfire programs. All clothing must be appropriate—no references to drugs, alcohol, violence, or weapons. Clothing should be appropriate for a Scouting environment and consistent with **unit** standards. **Closed-toed shoes** are always required, except in showers or aquatic areas. Crocs or similar shoes are not considered closed-toed and may only be used in shower or aquatic areas.

Harassment/Bullying – Scouting America has a **zero-tolerance policy** for any form of harassment or bullying. If you witness or experience it, please report it immediately to a **Camp Management Team Member**. Scouting Colorado reserves the right to remove anyone from the property who do not abide by the Scout Oath and Law, or the Scouting Code of Conduct.

Language – Respect is non-negotiable. Verbal abuse, discriminatory or derogatory remarks, belittling, extreme sarcasm, and off-color jokes or conversations are not tolerated—from anyone, youth or adult.

Discipline and Treatment – Unit Leaders are responsible for managing discipline within their own unit. Any issues during camp will be reported directly to them. All discipline must follow the **Guide to Safe Scouting**. **Important:** Meals may **not** be withheld as punishment.

Removal from Camp – Scouting Colorado reserves the right to remove anyone from Council or Scouting America property for violating camp rules, Scouting Colorado policies, Scouting America policies, or any local, state, or federal laws. In serious cases, local law enforcement may be contacted. All decisions are **final**, and **no refunds** will be given.

Tobacco Free Environment – McNeil Scout Ranch is a **tobacco-free zone** under Colorado law. That means no smoking, vaping, chewing, or use of any tobacco products anywhere on camp property. Adults who wish to use tobacco must leave the property to do so. There is no smoking or vaping allowed in any area of camp—indoors or outdoors.

No Drugs or Alcohol – Illegal drugs and substances and alcohol have no place in Scouting and are not allowed on the property.

No Fires or Fireworks – Due to local fire bans, campfires and fireworks are prohibited. Propane cooking is ok. Ask your campsite host or call the camp prior to see if charcoal and propane fires will be allowed. Fire restrictions are based upon county guidelines.

No Weapons or Firearms – No weapons such as any firearms, archery equipment, or knives larger than a pocketknife are allowed at camp. All firearms and archery equipment are provided for programs – **DO NOT** bring your own. The SA Scouter Code of Conduct prohibits carrying concealed or unconcealed firearms.

Surveillance Cameras in Use – Please note that surveillance cameras that record audio and video are used in various areas around the ranch 24/7/365 to assist with safety and security.

Possible Fines – Below is a list of possible fees based upon various possibilities such as damage and rule violations. Please be aware of these to avoid extra fees.

- Tents – Rips, tears, writing on canvas - \$10/inch
- Tents – Board damage - \$50/board
- Tents – Platform full replacement - \$700
- Fire Extinguisher – Unnecessarily discharged - \$100
- Trash in Pit Toilets - \$50 per item
- Missing Items from Campsite (brooms, hose, cleaning supplies etc) – *price determined by item missing*
- Parking Violation - \$50 per violation
- Extension Cord Rental - \$50 per cord/per week
- Program Equipment – *price determined by damage*
- Personal Property – *price determined by damage*
- Damage to other camp property – *price determined by damage*

***All fines issued, and amounts issued are at the discretion of the Camping Management Team.*

Pets and Animals – We love animals, but please leave your pets at home. **Service Animals** (as defined by the ADA) are absolutely welcome! If you're bringing a Service Animal, please let our Ranch Director, Jack Loats, know ahead of time. Emotional support animals aren't allowed at camp—thanks for understanding!

Wildlife in Camp – Camp is a wonderful place to see wildlife. There is lots of wildlife around us from small critters like squirrels, rabbits, turkeys, to large animals like deer and elk. Do not approach, touch or harass wildlife. Please secure trash and smellables in containers when not in use to keep away critters like raccoons and bears. Please note we also have active mountain lions on camp. They do not want to interact with you, so leave them alone and always have a buddy.

Bicycles in Camp – Campers and adults are welcome to bring bikes to camp! Please ride only on roads (no trails), wear a helmet at all times, and use lights when biking at night. Be sure to lock up your bike when you're not using it and remember—no bikes inside buildings. No electric or hybrid bikes are allowed. Only manual bikes are allowed per the [Guide to Safe Scouting](#).

Vehicles in Camp – Troop trailers can stay in campsites, but all other vehicles must be parked in the camp lot. If a unit does not have a trailer, one vehicle may remain in the site as a substitute for the trailer. Adults should keep their car keys handy in case of emergency. Drive slowly—10mph in busy areas and 15mph elsewhere. Do you need to use your vehicle around camp for a medical or special needs reason? Stop by the Health Lodge to request permission and sign a quick form.

Electric Vehicles in Camp – MSR can't support EV charging at this time. Please plan ahead—charging on site isn't allowed, even with adapters. Want to help us get a charging station? Let us know—we'd love your support!

Buddy System – Participants should use the buddy system whenever traveling around camp and during activities as required. Please help your unit coordinate buddies for walking to and from activities. Triple buddies are great too if needed! For more info, check out the article from [Scouting Magazine](#) and the [Guide to Safe Scouting](#).

Camp Identification – Following our safety and security guidelines, all participants and visitors are required to wear a wristband while at camp. Staff will have a photo ID tag. Please help us by making sure everyone wears these wristbands and let us know if you see someone without it!

Dining and Food Service

Dining Hall Food Service - Units eat together at assigned tables during breakfast and dinner—please sit at your spot so staff can find you easily. After everyone's served, second portions are available on a first come, first served basis.

Kapers- For breakfast and dinner, each unit sends 1 Scout per 8 people (minimum 2 Scouts) 15 minutes early. These “Kapers” help set up chairs, condiments, water pitchers, and more. After the meal, they clean up by wiping tables, returning dishes, tossing trash, stacking chairs, and sweeping/mopping. No kapers are needed for lunch, but please help tidy your area before you leave.

Lunch Service - Lunch is served cafeteria-style—get in line first, then sit at your assigned table. No kapers are needed for lunch, but please help tidy your area before you leave.

Special Diets – We're happy to accommodate most medical or religious dietary needs—like gluten-free, vegetarian, vegan, dairy-free, and nut-free options. Ingredient lists are available at every meal for anyone who wants to check. We can't support highly specific diets with lots of restrictions, but campers may bring their own food if needed. Storage and limited kitchen access can be arranged—just reach out!

All special diet requests must be submitted online (form coming soon) at least 4 weeks before camp. You'll find the form on our website or through CampDoc.

Safeguarding Youth and Mandatory Reporting

It is required that all adults attending summer camp have taken Safeguarding Youth Training.

Proof of training will be required to be uploaded to CampDoc. Colorado law and Scouting America policy mandates that all camp staff, adult volunteers and other members of Scouting America are mandatory reporters of suspected child abuse and neglect. Abuse can include adult-on-youth and youth-on-youth contact.

While we do not wish or anticipate abuse to occur at camp, in rare instances it happens. Please follow the guidelines below.

If you suspect child abuse or neglect while at summer camp:

You are a mandatory reporter as a member of Scouting America. You must take the following steps, and you cannot designate this to anyone else. Child abuse or neglect suspicions can be from home and noticed at camp or can occur at camp.

1. **Ensure that everyone is safe before doing anything.**
2. **Notify the Camp Director, Health Officer or designee immediately.** You can contact them by going to any camp staff member. These individuals will assist you in making a report but cannot do it for you.
3. **Notify the local law enforcement agency if applicable.** (Abuse occurred at camp or there are physical injuries or signs). Elbert County Sheriff – 911 or 303-660-7500.
4. **Notify the Colorado Department of Human Services.** 1-844-CO-4-KIDS (844-264-5437). This number can be used for reporting anywhere in the state. For youth that reside outside of Colorado, call this number and they will transfer the report to the appropriate state.

Child abuse and neglect reports should not be investigated by anyone other than law enforcement or human services. Camp Management will collect basic demographic data and the basic report for Scouting America reporting purposes. Please cooperate in this process. For any report or suspicion, reports will be made, and parents/guardians and unit leaders will NOT be notified.

DO: Report suspected child abuse or neglect. Cooperate with authorities.

DO NOT: Investigate, interview or notify parents of suspected child abuse or neglect.

Scouts First Helpline – The Scouts First Helpline is not a substitute for mandatory reporting of child abuse and neglect. You should use the Scouts First Helpline when you cannot immediately reach the Scout Executive or local council (such as after camp or other Scouting events). For the purposes of summer camp, the Camp Director or designee is available to assist with any issues or reporting as needed. The number for the helpline is 1-844-SCOUTS1. [More information.](#)

Scouting Colorado operates several childcare facilities and are licensed by the State of Colorado. This includes McNeil Scout Ranch at Peaceful Valley. The license indicates that the program has met the required standards for the operation of a childcare facility. The current license and most recent inspection report is available for review at camp headquarters or at the Council Service Center. Additionally, if you would like to file a complaint about McNeil Scout Ranch (license #47810) as it relates to Colorado Child Care Facility Regulations, please contact the Colorado Department of Human Services, Office of Early Childhood at 303-866-4511.

We all play a role in preventing child abuse and neglect.

Camper Behavior Management

One-On-One Contact

One-on-one contact between adults and youth is prohibited in person, electronically, by text message, phone or social media. Scouting's Barriers to Abuse.

Digital Communication

Digital communications between adults and youth must include another registered adult or parent and may not be conducted one-on-one.

Camper Behavior at Camp

Unit Leaders are responsible for camper behavior, with Camp Staff available to help during activities. Leaders should chat with each other if issues come up between units.

Minor Issues

Talk privately (following Safeguarding Youth guidelines), calmly explain the behavior, and offer steps to improve. Write down alternatives, encourage the camper, and follow up if needed. No need to involve Ranch Management for minor stuff.

Major Issues

If something feels too big or uncomfortable to handle, contact Ranch Management. They may investigate, meet with parents, or dismiss campers/adults if needed.

Automatic Dismissal

Some actions may result in immediate dismissal from camp:

- Harassment
- Youth Protection violations
- Weapons possession
- Alcohol, drugs, or tobacco use
- Scouter Code of Conduct violations
- Vandalism or theft
- Serious medication policy violations, including possession of unauthorized medication, diversion of medication, or repeated refusal to follow medication procedures.

Staff Behavior

We work hard to train our staff with a strong focus on customer service and professionalism. Most of our team members are youth between the ages of 16 and 22, and while they're doing their best, sometimes things don't go perfectly. If you ever have concerns about staff behavior or actions, please report your concerns directly to the Camp Director, Program Director or Camping Specialist. We kindly ask that you don't address staff issues with other staff members or take on the role of training or correcting them yourself. Let us know if something's not right, we're here to help and make sure it's handled appropriately.

Camp Director Jack Loats – Jack.Loats@Scouting.org or 303-648-3023

Program Director – MSRDobbinsProgram@Scouting.org or 303-648-3023

Camping Specialist (If the above two cannot be reached) John Braselton – John.Braselton@Scouting.org or 720-266-2128

Medical Information

Health Team – 720-960-8011 or MSRHealth@Scouting.org

Safety is a top priority at McNeil Scout Ranch! While accidents can happen, our well-stocked medical lodge is ready to help—it's like a mini clinic with certified health staff. Campers can also ask any staff member for basic first aid (like a band-aid!).

For serious emergencies, our health team works directly with local EMS and can respond faster than calling 9-1-1. If you see or experience a major medical issue, notify the nearest staff member right away.

For minor issues, head to the health lodge. If care needed goes beyond what our team can provide, we'll connect with EMS or send the patient to a nearby urgent care or hospital.

It is our policy that parents or guardians are notified when a youth camper visits the health lodge. This is primarily done with an email summary sent via CampDoc after the visit. In some cases, parents/guardians may be contacted by phone. Please inform your parents/guardians that this may occur and they may call the health lodge at any time to discuss any questions. 720-960-8011.

<u>General Health Lodge Hours</u>	<u>General Medication Administration Times</u>
Daily 8:00am to 9:30pm – “Clinic Needs” (Think beyond basic first aid)	Morning Meds: 6:30am-8:30am Lunch Meds: 11:30am-1:00pm Dinner Meds: 5:30pm-7:30pm Bedtime Meds: 8:30pm-9:30pm
9:30pm-8:00am Emergencies Only (Think what you would call 911 for or go to the ER for)	Meds are dispensed only at these times. Meds will not be dispensed at any other time unless the medication calls for another time.
When in doubt, stop by the med lodge. The Health Staff are always happy to help. (Except after 10pm, please only emergencies!)	

Communicable Diseases and Sickness at Camp

McNeil Scout Ranch follows all local, state, and federal health orders that apply to summer camps. We take steps to reduce the spread of illness—like camper screenings and regular cleaning—but some risk still exists. Need a mask, gloves, or cleaning supplies? Just ask! Questions or concerns? Email us at MSRHealth@Scouting.org.

Illness Policy – How Sick is Too Sick?

Youth, Adults, and Staff are required to report any illness to the camp Health Lodge. The health staff will help treat the illness and determine if they can continue to participate in camp or if other actions need to be taken. It is essential that everyone takes part in keeping camp healthy by washing hands regularly, using hand sanitizer, covering sneezes and coughs, cleaning and disinfecting surfaces and materials, and reporting illness promptly. **The health staff has the authority to exclude any participant or staff member from camp due to illness or injury.**

General Exclusion Requirements

Children and staff must be excluded from childcare facilities when they have certain symptoms of illness, including if they are unable to participate in or perform the functions required for their position.

- A “child” means any child enrolled as a participant at camp.
- A “staff member or staff” means any person working or volunteering to perform duties at camp. Including adult leaders.

Symptoms that require exclusion are listed in How Sick is Too Sick? When Children and Staff Should Stay Home from Child Care (How Sick is Too Sick). The Colorado Department of Public Health and Environment’s Infectious Diseases in Child Care and School Settings (Infectious Disease Guide) will be used to determine exclusion for symptoms of illness not included in How Sick is Too Sick.

Excluding Children

Staff are responsible for observing children at drop off and throughout the week for signs of illness. If a child arrives at the camp with signs of illness that require exclusion they may not be accepted. If a child develops symptoms of illness that require exclusion during the time of care, the parent/guardian will be contacted to pick up the child. The child will be provided with a place to rest which is separate from the other children until the parent/guardian arrives. The child may return to camp based on the requirements in How Sick is Too Sick, the Infectious Disease Guide, or as directed by their health care provider or public health professional.

Information will be recorded on an illness log when children are sent home due to symptoms of illness that require exclusion. All items used to care for the child (cot, bedding etc.) will be cleaned and sanitized or cleaned and disinfected if contaminated by body fluids after the child leaves the camp. The date and time when the child returns to the child camp will be recorded on the illness log.

DO NOT COME TO CAMP IF YOU ARE EXPERIENCING SYMPTOMS FROM THE “HOW SICK IS TOO SICK” DOCUMENT. CALL THE HEALTH LODGE TO DISCUSS FURTHER.

Outbreaks

When the camp has a child or staff member with an illness that is required to be reported to the health department, the health department will be contacted immediately. Outbreaks of illness must also be reported to the health department. An outbreak is defined as an increase in disease symptoms or illness regardless of a clinical diagnosis or laboratory testing in staff/children at more than expected levels. As few as two individuals (children or staff) in the same group with similar symptoms may constitute an outbreak. For example, above normal seasonal absenteeism for a school or childcare facility would be concerning and the health department will be contacted. The health department will also be contacted when there are two or more people that do not live together who are ill with symptoms including vomiting, diarrhea, or jaundice.

Medications for Youth and Adults

YOUTH:

We want every Scout to stay healthy and safe while having an awesome time at camp! To help with that, **our Health Lodge is stocked with many common over the counter (OTC) medications—so you don't need to send those unless your Scout needs something specific.**

Important Info for All Youth Medications: Under Colorado law, all youth medications must be checked in with our health staff when you arrive at camp. This includes both prescription and OTC medications. Here's what you need to know:

- Emergency meds (like inhalers or epinephrine) can stay with the Scout but must be accompanied by a Contract to Carry (link).
- **All prescription medications must be listed on the Medication Confirmation Form (link) and signed by a provider.**
- All medications must be in their original containers with clear instructions and labeled with the Scout's name and troop number.
- **No pill sorters, baggies, or unlabeled containers—we can't dispense meds unless they're properly packaged.**
- All sunscreen and bug spray must be in the original container with the Scout's name and troop number on it. It must not be expired. Youth **may carry** this on their person. Sunscreen is available for free at the health lodge.
- No medical marijuana or herbal supplements are allowed at camp.
- All youth medications will be returned to the unit Scoutmaster at check-out.

YOUTH MEDICATION ADMINISTRATION:

Scouts will visit the Health Lodge during designated times to receive their medications. These times are posted and consistent each day. Meds will only be dispensed during these windows unless the prescription specifically requires a different time.

To help Scouts stay on track, we follow this supportive process:

1. **First missed dose** – A gentle reminder from Health Staff. We know camp can be a busy place!
2. **Second missed dose** – A note will be placed in the unit's mailbox to alert leaders.
3. **Third missed dose** – We'll contact parents/guardians and notify unit leaders again.
4. **Fourth missed dose** – May result in removal from camp following a review by the Health Officer, Camp Director and unit leadership.

Unit Leaders and adults play a key role in helping Scouts remember their meds—thank you for your support!

ADULTS:

Adults may keep their own medications as long as they're **locked up** (in a car or lockbox) and **inaccessible to youth**. The Health Lodge also has OTC medications available for adults who need them. Lock boxes are available to borrow if needed. If you need to borrow a lock box, stop by the health lodge.

Emergency Procedures

Our Emergency Procedures are listed here. These five actions of the Standard Response Protocol are the five actions you need to know when you attend our camp.

Please familiarize yourself with these five actions and what to do. We will provide a copy at check in and review these actions within the first 24 hours of camp.

Whenever any type of emergency occurs, it is important to contact the nearest staff member so these actions can be implemented.

MISSING SCOUT: If you cannot locate a Scout within your unit, please find the nearest staff member. Information we will need to know is their name, age, what they were wearing last and where they were last as well as where they should be. Adult leaders in your unit may be enlisted to assist in searching. It is important not to panic. Many times, Scouts are late to their location and on the way or stopped at another common location like the Trading Post, dining hall, or the gaga ball pit.

A full copy of the emergency procedures will be provided at check-in. An emergency drill using sirens will occur at the first flag ceremony. Please prepare those that may be trauma sensitive.

WILDFIRES – In the State of Colorado, there is an increased risk of wildfire. While efforts are made to prevent them, we may need to evacuate rapidly in the event of one or another emergency.

Weather Safety

Weather at Camp

Days at McNeil Scout Ranch can hit the 80s or higher, while nights dip into the low 40s—so pack layers and cozy sleeping gear if you get cold easily.

June 2026 Averages – From McNeil Scout Ranch Weather Station

Average Ambient Temperature	Average Feels Like Temperature	Heat Index Average	Average Wind Speed	Precipitation
65 degrees	64 Degrees	62.5 Degrees	5.6mph	2.7 inches

July 2026 Averages – From McNeil Scout Ranch Weather Station

Average Ambient Temperature	Average Feels Like Temperature	Heat Index Average	Average Wind Speed	Precipitation
71 degrees (range 66-79)	71 Degrees (range 66-77)	69.7 Degrees	5.2mph	3.63 inches

Check out the current weather at McNeil Scout Ranch (link)

Sun & Rain Preparation

During the day, protect yourself with sunscreen, hats, and sunglasses. July afternoons often bring rain showers (sometimes June too!), so bring proper rain gear—emergency ponchos won't cut it.

Campers who bring their own sunscreen must have their name and troop number written on the bottle, and it must not be expired. Free sunscreen is available at the health lodge.

Weather Alerts & Perry Weather

During inclement weather we have various systems in place to alert you of what to do. Systems include sirens, public address systems, informational displays and text messages. Please follow instructions given. We have an on-site weather station and lightning detection system (Perry Weather) that will automatically notify campers and staff of lightning or severe weather in the area.

NOAA Storm Ready Facility & Weather-Ready Nation Ambassador

McNeil Scout Ranch has been designated as a NOAA StormReady facility. This means that MSR has implemented policies, procedures, training and equipment to be ready for various weather events. NOAA has reviewed our plans and has designated us as StormReady as well as a National Weather Service Weather-Ready Nation Ambassador. This initiative is about helping our nation become more resilient to increasing extreme weather, water and climate events. More information.

McNeil Scout Ranch is a StormReady facility. Is your Troop StormReady?

All campers attending McNeil Scout Ranch should have appropriate foul weather gear that provides them with adequate head-to-toe protection from pouring rain. Additionally, campers should have appropriate layers for when it is chilly and appropriate clothing when it is hot. Footwear is equally important. Waterproof shoes are essential during rain storms, and closed-toed shoes (No Crocs) are required around camp. If campers (including adults) are unprepared, the camp reserves the right to restrict the individuals to their campsite or other designated location during the weather event. We encourage all campers (Scouts and adults) to always be carrying their 10 essentials.

Trading Post

Camp Cris Dobbins has a well-stocked Trading Post for youth and adults! You'll find awesome souvenirs like t-shirts, hoodies, hats, stickers, water bottles, and more—all branded with Camp Cris Dobbins, McNeil Scout Ranch, and Scouting Colorado logos. **Snacks & Drinks** Our concession stand serves Pepsi products, Gatorade, candy bars, ice cream, and slushies. Plus, vending machines with drinks are available 24/7 at the Trading Post, HQ, Adult Shower House, and Gilwell Hall. **Spending Money - We recommend each camper bring around \$100 for snacks, drinks, and souvenirs. The Trading Post accepts cash, cards, Apple Pay, and Samsung Pay.** **Store Hours** - Trading Post hours will be shared at check-in—stay tuned!

Sale of Knives – Our Trading Post sells pocketknives to Scouts who have a Totin' Chip card. A Scout can also purchase a knife with an adult present. No "notes" or other forms of approval will be accepted. The staff is not responsible for policing individual or unit knife policies and purchases.

Family Night

Every Friday starting at 4:00 PM (or anytime after lunch!), families are welcome to join the fun. If you'd like to stay for dinner, meal tickets are \$10 and can be purchased online—no ticket needed if you're not eating. **All visitors must check in at Headquarters when they arrive.** The evening wraps up after the closing campfire around 8:30–9:00 PM. Families are free to head out whenever they'd like, but overnight stays aren't allowed. **No pets are allowed.** [Click here to purchase a family night ticket.](#)

Visitors In Camp

Visitors are welcome **Monday–Friday from 8:00 AM to 8:00 PM, and Sunday from 1:00 PM to 8:00 PM.** **All visitors must sign in and out at the Camp Office.** Per camp policy, to visit, you must be listed on a camper's medical form as an authorized adult.

Are you passionate about Peaceful Valley?

The Peaceful Valley Alumni Association is a group of veteran Scouters and former camp staffers who support McNeil Scout Ranch through preservation, maintenance, and program help. If you were a Scout at PV, served as an adult leader, or worked on camp staff, we'd love to have you join the PVAA! [More information.](#)

Camp Staff and Counselor-In-Training Program:

Work at McNeil Scout Ranch! We hire seasonal staff ages **16+** for summer positions! Full-season contracts are ideal, but partial-season options may be considered. **Too Young to Work?**

Scouts ages **14–15** can join our awesome **Counselor-In-Training (CIT) Program** to gain experience and have fun helping out at camp!

Camp Cris Dobbins Pro Tips

Cell Service

AT&T & T-Mobile works best at camp with strong signal and data as there is a cell tower on camp. Verizon is decent but has limited data. *(Report your spotty Verizon service to Verizon so they receive numerous reports and consider adding a tower nearby!)*

Wi-Fi Access

Limited Wi-Fi is available for adults only. Info will be shared at check-in. It's mainly for camp business, so please don't rely on it for work or streaming.

Swim Checks

Doing swim checks before camp makes Day 1 smoother! You can still do them at camp if needed. Instructions are available online.

Check-In Tip

Arrive together as a unit if possible! Consider meeting up in Elizabeth or Falcon to caravan in—it makes parking and gear hauling easier.

Text Alerts

Adult leaders should sign up for text alerts for updates and emergency info. Parents don't need to sign up.

Troop Mailboxes

Each unit has a mailbox at HQ for notes, forms, and updates. Check it at least twice a day.

Maintenance Issues

See something that needs fixing? Let HQ know!

Lost & Found

Lost items go to HQ daily. Valuables are kept in the office—check there first! Lost and found is transferred to the Hamilton Scout Headquarters after camp for any local campers who want to check for items. We do not ship any items.

Charging Devices

Adults can charge devices at the Adult Shower House, HQ, and Leader Lounge. Bring your own charger and don't leave items unattended.

Adult Leader Lounge

Need a break? The Leader Lounge at Headquarters has outlets, couches, workspaces, tv, live weather updates and air conditioning! Please do not use Gilwell Hall as a lounge or workspace.

Laundry – Just in Case!

Most folks find they don't need to do laundry during camp—but if you do, no worries! We've got a few machines available at the pool. Just a heads-up: detergent isn't provided, so bring your own if you think you'll need it or purchase some in the trading post. Please be prompt and tidy, others may be waiting too! Plan to pack smart and skip laundry if you can, but if the need pops up, we've got you covered!
